Study Population (Country/City)

PubMed ID for relevant publications

What study design will contribute to HEADSpAcE? (check all that apply)

<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Cohort study	Case-Control Study	Case Series	Retrospective	Prospective

At minimum, the following variables are available: age at diagnosis, sex, tobacco use, alcohol use, clinical/histopathological data

<input type="checkbox"/>	<input type="checkbox"/>
Yes	No

Is follow-up data available?

<input type="checkbox"/>	<input type="checkbox"/>
Yes	No

Do your samples already have any associated omics data?

If yes, what kind? _____

<input type="checkbox"/>	<input type="checkbox"/>
Yes	No

If yes, can this data be shared with HEADSpAcE?

<input type="checkbox"/>	<input type="checkbox"/>
Yes	No

If retrospective, approximately how many cases* do you expect to contribute to HEADSpAcE?**

Pharynx	Oral cavity	Larynx	Other
---------	-------------	--------	-------

If prospective, approximately how many cases* do you expect to be recruited per month?**

Pharynx	Oral Cavity	Larynx	Other
---------	-------------	--------	-------

*** Cases include samples and/or any associated clinical/genomic/epidemiological data. Please give a breakdown by cancer site.
